ADOPTION APPLICATION FORM

Please indicate on average how long the dog would be left unaccompanied at home, and where it will be kept during periods of absence.

-

There are likely to be occasions when you are away from home overnight or longer. Please detail the arrangements you will make for a dog during your absence.

-

Regardless of age and/or personal situation, there may be unexpected circumstances when you are no longer able to care for a dog. What provisions have you made/will you make to ensure a secure future for your pet?

-

Please add any other information in support of your application that you feel is not covered above.

-

As part of the adoption process Association En Route includes pre and post adoption home visits and requires a contract to be completed. We require regular post adoption updates about an adopted dog.

I agree to pre and post adoption home visits and, if an En Route dog is placed with me after I sign the adoption contract, I will provide regular updates and photographs to En Route.

The information that I have provided is honest and accurate at the time of completion of this form.
